**3-hour taster:
ceramic mug**

ages 16+ | entry level
3-Hour Tasters are a great way to explore a new art form without the deeper commitment of a full course. Make a one-of-a-kind ceramic mug to enjoy your favorite warm beverage. Learn a variety of hand-building techniques in a single session during this fun, project-based class. Mugs are food-grade safe and great for yourself or as a gift.

**total duration: 3 hours
offered 1x year | \$195**

**3-hour taster:
ceramic planter**

ages 16+ | entry level
3-Hour Tasters are a great way to explore a new art form without the deeper commitment of a full course. Adding some greenery to your decor? Create your own ceramic planter and cement yourself as a true greenthumb! Learn a variety of hand-building and color application techniques in a single session during this fun, project-based class.

**total duration: 3 hours
offered 1x year | \$195**

ceramic bowls

ages 16+ | entry level
Make your own super bowls using clay! In this class we explore four different ways of handbuilding your own beautiful bowls. Students will make a vessel out of each technique including pinch pot, coil building, and slab rolling with molds. Students are welcome to bring their own stamps for personalization. After your pots are assembled we will decorate using underglazes for a colorful finish. After class has ended the instructor will fire and finish your bowls with a clear food safe glaze.

**total duration: 7 hours
offered 1x year | \$250**

ceramic ornaments

family | entry level
Glaze your own ornaments to give to your loved ones! You will select three pre-fired ornaments to paint and glaze, learning about glazing techniques and color application. After class, the instructor will fire your ornaments and string them up, so they are ready for pickup one week after class ends. This is part of our Family Series. Parents and guardians with children ages 8+ are welcome to register with their kids and get hands-on making ornaments—just in time for the holidays.

**total duration: 2 hours
offered 1x year | \$150**

ceramics I

ages 16+ | entry level
Try your hands at making sculptural and functional forms in clay. This introductory class covers traditional hand-building and surface treatment techniques while pushing the boundaries with unconventional methods. You will leave with a solid foundation in working with clay and the ability to apply your new skill set to other 3-D work and materials.

**total duration: 30 hours
offered 8x year | \$550**

ceramics II

ages 16+ | continuing
Ceramics II is designed for students who have successfully completed Ceramics I and are looking to further advance their knowledge and creativity in working with clay. Students will learn advanced concepts in surface design and refine techniques, both in hand-building and wheel-throwing, to create more consistent, aesthetically-pleasing functional and sculptural pieces. Interesting forms, creative designs, and good craftsmanship are essential in creating engaging pottery and will be emphasized in the class.

**prerequisite: ceramics
total duration: 30 hours
offered 3x year | \$560**

ceramics lab

ages 16+ | continuing
Lab sessions are a great benefit, exclusively for Crucible members! Practice the skills you learn in class and explore new possibilities with your craft. No instruction is provided during lab sessions, but a lab monitor will be present to answer questions, manage safety, and provide overall support. You are free to come and go at your convenience during open lab hours, however you must provide your own materials. Clay can be purchased for \$20 per bag.

**prerequisite: ceramics
experience and crucible
membership**

**total duration: 15 hours
offered 5x year | \$250**
