FX Currency Option transaction

This is a sample letter created for the purpose of testing the regression tool for PDF comparisons and change detection and reporting.

The document will have random paragraphs with text and number that act as a placeholder text for performing various testing on the functionality of the diff Report module. The document will also have content laid out in a structure resembling any random given contract to have a better picture of how the tool performs with text aligned in various structures and alignments. There could be minor changes across multiple documents that the tool is expected to report in the final output.

This confirmation is a part of the master agreement dated as of 25 August 2016, as amended and supplemented from time to time between ABC bank and XYZ Bank Ltd.

Option A

A) Trade details:
